About Me

I am Yoel Amadeo Pratomo, a 7th semester bachelor's degree student in the Department of Informatics Engineering at Universitas Brawijaya. I have experience leading and organizing events and organizations. I aspire to pursue a career as a Fullstack Developer, Website Analyst, Big Data Specialist, and Human Resources Developer.

Education

Universitas Brawijaya (2022-Present)
Bachelor's Degree in Informatics Engineering, GPA: 3.73/4.00
- Active student serving as the class representative.

St. Albertus Senior High School Malang (2019-2022)
Science Major, GPA : 91.8/100

Organizational Experience

HMDTIF, Faculty of Computer Science, Universitas Brawijaya
Supervisor of the Advocacy and Welfare Department (January 2025-Present)
- Oversee and mentor departmental staff to ensure smooth execution of welfare and advocacy programs.
- Provide strategic guidance and evaluations for ongoing initiatives to improve student well-being.
- Act as a liaison between the department and the broader student executive board.

Head of the Advocacy and Welfare Department (February 2024-January 2025)
- Initiated and led programs addressing student concerns related to academics and campus life.
- Managed a team to implement welfare campaigns and resolve student issues through active engagement.
- Collaborated with university units to advocate for student rights and improve campus policies.

PMK Daniel, Faculty of Computer Science, Universitas Brawijaya (2023)
Vice Chairperson
- Responsible for maintaining both physical and spiritual integrity within the organization.

Beyond Border Vacation Camp #3 (July 4-8, 2023)
Translator Coordinator
- Served as a translator between English and Indonesian for guests from Thailand, Laos, and Vietnam under the theme "You Are Not Alone."

Achievements

Informatics Class Representative (2022-Present)
Class of 2022
- Tasked with fostering unity and progress within the class.

AIESEC Future Leader Program (April-June 2024)
Coach
● Provided a platform for delegates to explore career opportunities and develop soft skills as well as knowledge in business and economics.
